Back ground information:

Unauthorized / Illegal Advertisements are found in large numbers in the city in violation of the provisions of the Advertisement Byelaws 2006 and the provisions of the Karnataka Municipality Act,1976 causing leakage to the city revenues and posing hazard to traffic, aesthetics and safety of the citizens. Advertisements include any form of display as defined in the BBMP Advertisement Bye laws 2006 like hoardings, Bus shelter displays, pole kiosks, displays on medians, Sky walks etc and also flexes, banners and buntings etc. Therefore BBMP has decided to initiate action against such illegal and unauthorized Advertisements as per law and remove them. To meet the above objective, BBMP wishes to call in agencies for providing the services and remove the unauthorized and Illegal Advertisements in YELAHANKA zone of BBMP.

EOI is invited from interested agencies to offer the above mentioned services. Agencies who satisfy the qualification criteria mentioned below may submit their EOI as per the instructions provided in the section "Submission of EOI". The detailed scope of work along with the documents etc., can be accessed through e-portal of Government of Karnataka. BBMP reserves the right to accept or reject any or all EOI without assigning any reasons. For further queries contact the Executive Engineer (Project) Yelahanka Zone, BBMP, Bangalore-560092 at e-mail id: eepryz@gmail.com

Section 7 Format of Bank Guarantee for Security Deposit.

Yours faithfully,

For **BBMP**
Executive Engineer Project Division Yelahanka Zone.

¨Bidder Executive Engineer (Project)

SECTION 2. INFORMATION TO BIDDER

1. INTRODUCTION

1.1 **Bruhat Bengalaru Mahanagara Palike (BBMP), "the client" is desirous of obtaining the "Expression of interest for Providing services to remove the unauthorized / illegal Advertisements in Yelahanka Zone of Bruhat Bangalore Mahanagara Palike**

The objectives and description of the services are:

The selected agency will be responsible for usage of its trained men and machineries, for planning, safe dismantling and removal of unauthorised and Illegal Advertisements including hoardings, pole kiosks, bus shelter displays, remove steel structures used to put up illegal Advertisements/remove illegal Advertisements mounted on steel columns with steel frames using heavy machineries like cranes and JCB using suitable accessories like gas cutter, cutting pliers, plastic ropes, bamboo stick with sickle etc. and agency has to collect all the dismantled / released iron structures such as M.S. Angular/Pipes, Vinyl, flex, electrical fittings such as cable, sodium/halogen lamps etc., from the spot and remove all the debris from the spot. Clearing of debris at its own cost after dismantling and dumping the debris in a place directed by BBMP on the same day.The other material quoted for including steel has to be taken to the weigh bridge by the agency on the same day at its cost and weighed and the proceeds as per rate awarded has to be remitted to BBMP on the same day. The BBMP will select an agency based on evaluation criteria mentioned in this document.

1.2 The bidders are invited to submit a Technical Proposal and a Financial Proposal, for "Expression of interest to Providing services to remove the unauthorized / illegal Advertisements in YELAHANKA ZONE of Bruhat Bangalore Mahanagara Palike as per the detailed scope of work.

The Proposal will be the basis for contract negotiations and ultimately, signing of a contract with the selected bidder

1.3 The bidder must familiarize himself with local conditions and take them into account in preparing his Proposal.

1.4 The Client will provide the inputs as required by the bidder .

1.5Preference will be given to the bidders who had local office including men and machineries in Bangalore, for the past 3 years.

1.6 It is BBMP'S policy to require that Bidder (including their affiliates /associates / partners) to observe the highest standard of ethics during the selection and execution of such contracts. In pursuance of this policy, BBMP -:

(a) Will reject a proposal for award if it determines that the firm recommended for award has engaged in corrupt or fraudulent activities in competing for the contract in question.

(b) Will cancel the firm's contract if it at any time determines that corrupt or fraudulent practices were engaged in by the representatives of the Bidder or their associates during the selection process or theexecution of that contract.

(c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a BBMP -financed contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing a BBMP - financed contract; and

For the purposes of above:

(i) “corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a BBMP official in the selection process or in contract execution; and

(ii) "fraudulent practice" means a misrepresentation of facts in order to influence a selection process or the execution of a contract to the detriment of BBMP, and includes collusive practices among bidder (prior to or after submission of proposals) designed to establish prices at artificial, non-competitive levels and to deprive BBMP of the benefits of free and open competition.

1.7 Bidder shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by any clients in India or abroad, in accordance with the above sub para 1.6(c).

1.8 Earnest Money Deposit (EMD)

The bidders are requested to submit EMD of Rs. 1,00,000/- (Rupees One Lakh Only) along with the Technical Bid.

Any tender not accompanied by an acceptable earnest money deposit and not secured in the payment modes as indicated below shall be rejected by the Client as non responsive

* The earnest money deposit of unsuccessful tenderers will be returned within 30 days from the end of the tender validity period.
* The earnest money deposit of the successful Tenderer will be discharged after satisfactory Completion of contract period and furnished the required Performance Security.
* The Earnest Money Deposit may be forfeited:
  (a) if the Tenderer withdraws the Tender after tender opening during the period of tender validity;
  (b) in the case of a successful Tenderer, if the Tenderer fails within the specified time limit to
  (i) sign the Agreement; or
  (ii) furnish the required Security deposit

The bidder shall pay the Earnest Money Deposit (EMD) in the e-Procurement portal using any of the following payment modes:

- Credit Card
- Direct Debit
- National Electronic Fund Transfer (NEFT)
- Over the Counter (OTC)

The bidders bid will be evaluated only on confirmation of receipt of the payment (EMD) in the Government of Karnataka central pooling a/c held

at ICICI Bank/ Axis bank

EMD amount will have to be submitted by the bidder taking into account the following conditions:

a. EMD will be accepted only in the form of electronic cash (and not through Demand Draft or Bank Guarantee) and will be maintained in the Govt.'s central pooling account at ICICI/Axis Bank until the contract is closed.
b. The entire EMD amount for a particular tender has to be paid in a single transaction. It is responsibility of bidder to ensure that payment through NEFT reaches Payment to Government of Karnataka Bank before Bid submission date and time, through online payment. In case of OTC Payment , the DD to be drawn in favor of "e-Procurement , Government of Karnataka " and submit to ICICI / Axis Bank before bid submission time and update the transaction reference in e-Procurement portal .

For details on e-Payment services refer to e-procurement portal for more details on the process.

2. MODIFICATION AND WITHDRAWAL OF TENDERS

2.1 Tenderer has all the time to modify and correct or upload any relevant document in the portal before submission on e-portal.

2.2 Tender can be withdrawn only before Bid submission date and time, as published in the e-procurement portal.

2.3 No Tender may be modified after the deadline for submission of Tenders.

2.4 Tenderers may only offer discounts to, or otherwise modify the prices of their Tenders by submitting Tender modifications in accordance with this clause, or included in the original Tender submission if available on e-portal.

3.5 Regarding Queries:

4.5.1 The Tenderer or his authorized representative is invited to attend a Queries of a Tender meeting which will take place at office of the Executive Engineer,(project Division), Yelahanka Zone, BBMP, Byatarayanapura Bangalore-560092 on **the date and venue specified in this IFT**

4.5.2. The purpose of the meeting will be to clarify issues and to answer questions on any matter that may be raised at that stage.

4.5.3. The Tenderer is requested to submit any questions in writing or by cable to reach the Employer not later than stipulated date mentioned in the notification of the tender.

4.5.4. Minutes of the meeting, including the text of the questions raised (without identifying the source of enquiry) and the responses given will be posted online in the e-procurement portal which bidders should download. Any modification of the tender document listed in clause–2 of section 2 of ITC which may become necessary as a result of the pre-tender meeting shall be made by the Employer exclusively through the issue of an **Addendum** and not through the minutes of the Tender Queries meeting. Addendum / Corrigendum of the Meeting is also the part of the bid document.

4.6 Bid Opening

i) The technical & financial bids will be opened on as mentioned in the notification/Addendum/Corrigendum. If the office happens to be closed on the date of opening of the tenders as specified, the tenders will be opened on the next working day at the same time and venue.

ii) Tenders will be opened at prescribed time and date in the e-procurement portal, in the presence of the Tenderers who wish to attend at the office of the Executive Engineer, (Project Division), Yelahanka Zone, BBMP, Byatarayanapura Bangalore-560092, and submit the copy of the necessary relevant original documents at the time of opening of technical bid.

5. PROPOSAL EVALUATION

General

5.1 Bidder shall not contact the Client on any matter relating to their Proposal from the time of opening of the Technical Proposal till the contract is awarded. If a firm wishes to bring additional information to the notice of the client, it should do so in writing at the address indicated in the Data Sheet. Any effort by the firm to influence the Client in the Client's Proposal

evaluation, Proposal comparison or contract award decisions may result in the rejection of the consultant's Proposal.

5.2 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation, including any reviews and no objection, is concluded.

5.3 **Evaluation of Technical & Financial Proposals**

Evaluation of Technical & Financial proposals at the same time as mention in the invitation for Tender by the competent authority & in the mean time tendrer may satisfy the following criteria :

(i) Minimum of 1 year experience in removal of Illegal Advertisements any where in Karnataka. **Certificates from competent authority are to be produced**

(ii) The participant should have technical capability The bidder should have annual turnover of at least Rs.10.00 Lakhs in each of the last 3 year **(2020-21 to 2022-23)**

After opening of the financial bid, the competent authority may further negotiate bid price and seek clarifications with the highest bidder to arrive at the final price.

6. Award criteria:

Employer will award the Contract to the Tenderer whose Tender has been determined to be substantially responsive to the Tender documents.

7. AWARD OF CONTRACT

7.1 The bidder adjudged as responsive and quoting the highest bid amount in respect of a particular package will be declared as selected bidder for such package.

***7.2* Employer's right to accept any Tender and to reject any or all Tenders**

The Employer reserves the right to accept or reject any Tender, and to cancel the Tender process and reject all Tenders, at any time prior to the award of Contract, without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the grounds for the Employer's action.

Notification of award and signing of Agreement

7.3 The Tenderer whose Tender has been accepted will be notified of the award by the Employer prior to expiration of the Tender validity period by cable, telex, e-mail or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the execution, completion, and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

¨Bidder Executive Engineer (Project)

7.4 The notification of award will constitute the formation of the Contract, subject to the furnishingof security deposit.The Agreement will incorporate all agreements between the Employer and the successful Tenderer. It will be kept ready for signature of the successful Tenderer in the office of Employer within 30 days following the notification of award along with the Letter of Acceptance. Within 20 days of receipt, the successful Tenderer will sign the Agreement and deliver it to the Employer.

7.5 Upon the furnishing by the successful Tenderer of the security deposit and Contract Agreement, the Employer will promptly notify the other Tenderers that their Tenders have been unsuccessful.

Security deposit/ Performance Security

7.6 (i) Within 20 days of receipt of the Letter of Acceptance, the successful Tenderer shall deliver to the Employer a Security deposit in any of the forms given below for ***an amount equal to Rs 5.00 Lakhs*** as refundable interest free security deposit in the form of DD / Bank Guarantee/ Pay order in favor of Commissioner BBMP payable at Bangalore.

A bank guarantee in the form given in Section 7 or If the security deposit is provided by the successful Tenderer in the form of a Bank Guarantee, it shall be issued by a Nationalized / Scheduled bank. The security deposit if furnished in demand draft can, if requested, be converted to interest bearing securities at the cost of the contractor.

7.6 (ii) The security amount shall remain free zed during the entire contract period and shall be released only after successful completion of the contract as per the terms & conditions. All the compensation/claim or other dues/liabilities payable by the agency under the terms or by virtue of this contract/or any other contracts may be deducted by the BBMP from the security deposit. In the event of security deposit falling short due
to such deductions, the Advertiser shall within 10 days of the receipt of intimation to that
effect, deposit an amount by way of cash or draft, to make good the short fall in security
deposit. Further, under No circumstances, the security deposit amount shall be adjusted
and reduced against dues/liabilities.

7.7 Failure of the successful Tenderer to comply with the requirements of Sub-Clause 7.6 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Earnest money deposit .

Corrupt or Fraudulent practices.

7.8 The GOK requires that the Tenderers / Suppliers / Contractors, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, GOK :

(a) will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

(b) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a GOK -contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a GOK contract.

Conditions of Contract

A. General

1. Definitions

1.1 Terms which are defined in the Contract Data are not also defined in the Conditions of Contract but keep their defined meanings. Bold letters are used to identify defined terms.

Bill of Quantities means the priced and completed Bill of Quantities forming part of the Tender.
Compensation events are those defined in Clause 38 hereunder.

The **Completion Date** is the date of completion of the Works as certified by the Employer in accordance with Sub Clause 46.1.

The **Contract** is the contract between the Employer and the Contractor to execute, complete and maintain the Works. It consists of the documents listed in Clause 2.2 below.

The **Contract Data** defines the documents and other information which comprise the Contract.

The **Contractor** is a person or corporate body whose Tender to carry out the Works has been accepted by the Employer.

The **Contractor's Tender** is the completed Tender document submitted by the Contractor to the Employer.

The **Contract price** is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract.

Days are calendar days; **months** are calendar months.

A **Defect** is any part of the Works not completed in accordance with the Contract.

The **Defects liability period** is the period named in the Contract Data and calculated from the Completion Date.

The **Employer** is the party who will employ the Contractor to carry out the Works.

Equipment is the Contractor's machinery and vehicles brought temporarily to the Site to construct the Works.

The **Initial Contract price** is the Contract Price listed in the Employer's Letter of Acceptance.

The **Intended Completion Date** is the date on which it is intended that the Contractor shall complete the Works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the Employer by issuing an extension of time.

Materials are all supplies, including consumables, used by the contractor for incorporation in the Works.

Plant is any integral part of the Works which is to have a mechanical, electrical, electronic or chemical or biological function

The **Site** is the area defined as such in the Contract Data.

Specification means the Specification of the Works included in the Contract and any modification or addition made or approved by the Employer.

The **Start Date** is given in the Contract Data. It is the date when the Contractor shall commence execution of the works. It does not necessarily coincide with any of the Site Possession Dates.

A **Subcontractor** is a person or corporate body who has a Contract with the Contractor to carry out a part of the work in the Contract which includes work on the Site.

A **Variation** is an instruction given by the Employer which varies the Works.

The **Works** are what the Contract requires the Contractor to construct, install, and turn over to the Employer, as defined in the Contract Data.

2. Interpretation

2.1 In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance.
Words have their normal meaning under the language of the Contract unless specifically defined. The Employer will provide instructions clarifying queries about the Conditions of Contract.

2.2 The documents forming the Contract shall be interpreted in the following order of priority:
(1) Agreement
(2) Letter of Acceptance, notice to proceed with the works
(3) Contractor's Tender
(4) Conditions of Contract
(5) Financial proposal and
(6) any other document listed in the Contract Data as forming part of the Contract.

3. Law governing contract

3.1 The law governing the Contract is the Laws of India supplanted by the Karnataka Local Acts.

4. Employer's decisions

4.1 Except where otherwise specifically stated, the Employer will decide contractual matters between the Employer and the Contractor.

5. Delegation

5.1 The Employer may delegate any of his duties and responsibilities to other people after notifying the Contractor and may cancel any delegation after notifying the Contractor.

6. Communications

6.1 Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of Indian Contract Act).

7. Subcontracting

7.1 Deleted.

8. Other Contractors

8.1 The Contractor shall cooperate and share the Site with other contractors, public authorities, utilities, and the Employer.

9. Personnel

9.1 The Contractor shall employ the technical personnel (of number and qualifications) as may be stipulated by GOK from time to time during the execution of the work. The technical staff so employed shall be available at site as may be stipulated by the Employer.

9.2 If the Employer asks the Contractor to remove a person who is a member of the Contractor's staff or his work force stating the reasons, the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the work in the Contract.

10. Employer's and Contractor's risks

10.1 The Employer carries the risks which this Contract states are Employer's risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

11. Employer's risks

11.1 The Employer is responsible for the excepted risks which are:
(a) rebellion, riot commotion or disorder unless solely restricted to employees of the Contractor or his Sub-Contractors arising from the conduct of the Works; or
(b) a cause due solely to the design of the Works, other than the Contractor's design;
or
(c) any operation of the forces of nature (in so far as it occurs on the Site) which an experienced contractor:
(i) could not have reasonably foreseen; or
(ii) could reasonably have foreseen, but against which he could not reasonably have taken at least one of the following measures;

(A) prevent loss or damage to physical property from occurring by taking appropriate measures or
(B) insure against such loss or damage

12. Contractor's risks
12.1 All risks of loss of or damage to physical property and of personal injury and death which
arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor.

13. Insurance:
13.1 The Contractor shall prior to commencing the works, effect and thereafter maintain insurances, in the joint names of the Employer and the Contractor, (cover from the first working day after the Start Date to the end of Defects Liability Period), in the amounts stated in the Contract Data :
(a) for loss of or damage to the Works, Plants and Materials and the Contractor's equipment;
(b) for liability of both Parties for loss, damage, death and injury to third parties or their property arising out of the Contractor's performance of the Contract including the Contractor's liability for damage to the Employer's property other than the Works and
(c) for liability of both Parties and of any Employer's representative for death and injury to the Contractor's personnel except to the extent that liability arises from the negligence of the Employer, any Employer's representative or their Employees.

13.2 Policies and certificates for insurance shall be delivered by the Contractor to the Employer for his approval before the Start Date. All such insurance shall provide for compensation to be payable to rectify the loss or damage incurred. All payments received from insurers relating to loss or damage shall be held jointly by the Parties and used for the repair of the loss or damage or as compensation for loss or damage that is not to be repaired.

13.3 If the Contractor fails to effect or keep in force any of the insurances referred to in the previous sub- clauses or fails to provide satisfactory evidence, policies or receipts, the Employer may without prejudice to any other right or remedy, effect insurance for the cover relevant to such default and pay the premiums due and recover the same as a deduction from any other monies due to the Contractor. If no payments is due, the payment of the premiums shall be a debt due.

13.4 Alterations to the terms of an insurance shall not be made without the approval of the Employer.

13.5 Both Parties shall comply with any conditions of the insurance policies.

14. Site Investigation Reports:

14.1 The Contractor, in preparing the tender, shall rely on any site investigation reports referred to in the Contract data, supplemented by any information available to the Tenderer.

15. Queries about the “Contract Data”

15.1 The Employer will clarify queries on the Contract Data.

16. Contractor to construct the Works

16.1 The Contractor shall construct the Works in accordance with the Specification and Drawings.

17. The Works to be completed by the Intended Completion Date

17.1 The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the program submitted by the Contractor, as updated with the approval of the Employer, and complete them by the Intended Completion Date.

18. Approval by the Employer:

18.1 The Contractor shall submit Specification and drawings showing the proposed Temporary Works to the Employer, who is to approve them if they comply with the Specifications and Drawings.

18.2 The Contractor shall be responsible for the design of Temporary Works.

18.3 The Employer's approval shall not alter the Contractor's responsibility for design of the Temporary Works.

18.4 The Contractor shall obtain approval of third parties to the design of third parties to the design of the temporary Works where required.

18.5 All drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Employer before their use.

19. Safety

19.1 The Contractor shall be responsible for the safety of all activities on the Site.

20. Discoveries

20.1 Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the Employer. The Contractor is to notify the Employer of such discoveries and carry out the Employer's instructions for dealing with them.

21. Possession of the Site

21.1 The Employer shall give possession of all parts of the Site to the Contractor. If possession of a part is not given by1he date stated in the Contract Data the

Employer is deemed to have delayed the start of the relevant activities and this will be Compensation Event.

22. Access to the Site
22.1 The Contractor shall allow the Employer and any person authorized by the Employer access to the Site, to any place where work in connection with the Contract is being carried out or is intended to be carried out and to any place where materials or plant are being manufactured / fabricated / assembled for the works.

23. Instructions
23.1 The Contractor shall carry out all instructions of the Employer which comply with the applicable laws where the Site is located.

24. Procedure for resolution of Disputes:
24.1 If the Contractor is not satisfied with the decision taken by the Employer, the dispute shall be referred by either party to Arbitration within 30 days of the notification of the Employer's decision.

24.2 If neither party refers the dispute to Arbitration within the above 30 days, the Employer's decision will be final and binding.

24.3 The Arbitration shall be conducted in accordance with the arbitration procedure stated in the Special Conditions of Contract.

B. Time Control
25. Program
25.1 Within the time stated in the Contract Data the Contractor shall submit to the Employer for approval a Program showing the general methods, arrangements, order, and timing for ail the activities in the Works.

25.2 The Employer's approval of the Program shall not alter the Contractor's obligations. The Contractor may revise the Program and submit it to the Employer again at any time. A revised Program is to show the effect of Variations and Compensation Events.

26. Delays ordered by the Employer
26.1 The Employer may instruct the Contractor to delay the start or progress of any activity within the Works.

27. Management meetings

27.1 The Employer may require the Contractor to attend a management meeting. The business of a management meeting shall be to review the progress achieved and the plans for remaining work.

27.2 The responsibility of the parties for actions to be taken is to be decided by the Employer either at the management meeting or after the management meeting and stated in writing to be distributed to all who attended the meeting.

C. Quality Control

28. Identifying defects

28.1 The Employer shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Employer may instruct the Contractor to search for a Defect and to uncover and test any work that the Employer considers may have a Defect.

29. Tests

29.1 If the Employer instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples. If there is no Defect the test shall be a Compensation Event.

29.2 The Employer may appoint Consultant for Project Management and Quality Assurance.
The Contractor shall assist such PMC Consultant appointed by the Employer and make all arrangement for testing of materials for any or all items of works executed at the site.

30. Correction of defects

30.1 The Employer shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.
30.2 Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the Employer's notice.

31. Uncorrected defects

31.1 If the Contractor has not corrected a Defect within the time specified in the Employer's notice, the Employer will assess the cost of having the Defect corrected, and the Contractor will pay this amount.

32. PAYMENT:

32.1 **During each operation/ completion of operation of removal of illegal Advertisements the scrap material including all steel structures shall be got weighed jointly in weigh bridges and signatures shall be affixed jointly on the bill of weigh bridge and bid amount is arrived based on the weight**

of the scrap and the bidder has to remit the amount accordingly based on his quoted rate with BBMP.

33. Important Notes:-

1. The agency shall abide by all rules, regulations, Acts, byelaws which are applicable from time to time.

2. The agency is advised to inspect and examine the sites and its surroundings and satisfy themselves before submitting their offer. The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools and plants, water, electricity, access all facilities for workers and all other services required for executing the work.

3. The successful bidder should obtain statutory clearances whenever necessary from the Police, Traffic police, BESCOM, BSNL, Pollution Control Board etc., The BBMP will co-ordinate with the concerned Departments to facilitate the contractor to obtain these clearances.

4. The concerned RO and ARO will provide necessary local police protection during dismantling operation

5. Dismantle / remove unauthorized/ Illegal Advertisements identified and as directed by the concerned BBMP official/ ARO. Collect all the removed steel structures by the successful bidder /Clearing of debris after dismantling and dumping the debris in a place directed by BBMP.

6. The decision of the Commissioner shall be final and binding on the agency**.**

7. The agency shall ensure that all the employees so deployed by him will get minimum wages and all other benefits admissible under various labor laws/ Act

34. SPECIAL CONDITIONS

1. Subletting the license granted to successful tenderer in any manner is not permissible and shall entail cancellation of the license.
2. The successful tenderer is required to enter into an agreement as per the time stipulations referred in these documents elsewhere or will result in cancellation of the tender.
3. If the performance of agency is not up to the mark continuously for seven days the
   Zonal Joint Commissioner shall report in writing to the Commissioner, BBMP. The BBMP Commissioner reserves the right to cancel the contract.
4. The duration of Contract is for a period of (1) One year only. No extensions are permitted.
5. The work has to be carried out as per the directions of the zonal Joint Commissioner, BBMP authorized from time to time and all the outputs required from time to time shall be furnished within the scheduled time.
6. The Agency shall comply with the orders and instructions of Commissioner in the

due discharge of work assigned.

7. If the work entrusted is not proper and to the satisfaction of BBMP and if there are any
   Complaints against the bidder, penalties will be levied as specified above. If the work of the Agency continues to be unsatisfactory, the agreement shall be terminated by the BBMP with one month notice at any time during subsistence of this agreement. Agency shall comply with the orders and instructions of the Zonal Joint Commissioner concerned on this behalf in due discharge of functions and work.
8. Any additional information required by the BBMP through its authorized officer should be furnished as instructed from time to time.
9. Agency should submit daily progress in prescribed proforma to the zonal Joint Commissioner, BBMP on subsequent day. Failing which competent authority will be at the liberty to cancel the contract without giving any prior notice.
10. The Agency or his authorized officiating person shall attend the meetings whenever called for by the Joint Commissioner, BBMP or Commissioner, BBMP.
11. The agency is responsible for prompt payment of remuneration to each individual engaged by the agency and their safety and security.
12. The Zonal Joint Commissioners through jurisdictional Zonal ARO's are responsible for identifying the unauthorized Advertisements.
13. Agency is bound to give whatever information sought by the zonal Joint Commissioner from time to time with regard to the terms of the contract or regarding removal of unauthorized advertisement or regarding any matter pertaining to the contract

35. Compensation events

The BBMP will not be responsible for any compensation that arises due to

a. Change in location.
b. Reduction in collection
c. The Contractor shall not be entitled to compensation to the extent that the Employer's interests are adversely affected by the Contractor not having given early warning or not having cooperated with the Employer.

36. Tax

- The rates quoted by the Contractor shall be deemed to be inclusive of the sales and other taxes that the Contractor will have to pay for the performance of this Contract.
- The Employer will perform such duties in regard to the deduction of such taxes at source as per applicable law.

38. Cost of Repairs:

A) Loss or damage to the Client's assets between the Start Date and the end of the completion periods shall be remedied by the Contractor at the Contractor's cost if the loss or damage arises from the Contractor's acts or omissions.

Finishing the Contract

39. Completion

A) The Contractor shall request the Employer to issue a Certificate of Completion of the Works and the Employer will do so upon deciding that the Work is completed.

40 Taking over The Employer shall take over the Site and the Works within seven days of issuing a certificate of Completion.

41 .Termination

The Employer may terminate the Contract if the other party causes a fundamental breach of the Contract. Fundamental breaches of Contract include, but shall not be limited to the following:

- the Contractor stops work for 45 days when no stoppage of work is shown on the current Program and the stoppage has not been authorized by the Employer;
- The Contractor becomes bankrupt or goes into liquidation other than for a reconstruction or amalgamation;
- the Employer gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Employer;
- the Contractor does not maintain a security which is required;
- if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for or in the executing the Contract. For the purpose of this paragraph: "corrupt practice" means the offering, giving, receiving ,or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition."

When either party to the Contract gives notice of a breach of contract to the Employer for a cause other than those listed under Sub Clause 41 above, the Employer shall decide whether the breach is fundamental or not.

Notwithstanding the above, the Employer may terminate the Contract for convenience.

If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonably possible.

42 . Property

42 .1 All materials on the Site, Plant, Equipment, Temporary Works and structures are deemed to be the property of the Employer, if the Contract is terminated because of a Contractor's default.

43 Release from performance

43.1 If the Contract is frustrated by any event entirely outside the control of either the Employer or the Contractor the Employer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate.

Force Majeure:

1. Notwithstanding the provisions of the tender, the bidder shall not be liable for forfeiture of his performance guarantee, liquidated damages or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.
2. For purposes of the above Clause, "Force Majeure" means an event beyond the control of
   The bidder and not involving the bidder and not involving the bidder's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of Commissioner, BBMP either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
3. If a Force Majeure situation arises, the qualified bidder shall promptly notify Commissioner, BBMP in writing of such conditions and the cause thereof. Unless otherwise directed by Commissioner, BBMP in writing, the Bidder shall continue to perform its obligations under the contract as far as reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

F. Special Conditions of Contract.

1. Labour:

The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport. The Contractor shall, if required by the Employer, deliver to the Employer a return in detail, in such form and at such intervals as the Employer may prescribe, showing the staff and the numbers of the several classes of labour from time to time employed by the Contractor on the Site and such other information as the Employer may require.

The Contractor has to strictly adhere to the Labour Regulation Act and The Building and other construction workers (Regulation of Employment and Conditions of Service) Act 1996. No child labour is allowed and strictly prohibited at work spot.

2. Compliance with labour regulations:

During continuance of the contract, the Contractor and his sub contractors shall abide at all times by all existing labour enactments and rules made there under, regulations, notifications and bye laws of the State or Central Government or local authority and any other labour law (including rules), regulations, bye laws that may be passed or notification that may be issued under any labour law in future either by tile State or the Central Government or the local authority .The Contractor shall keep the Employer indemnified in case any action is taken against the Employer by the competent authority on account of contravention of any of the provisions of any Act or rules made there under, regulations or notifications including amendments. If the Employer is caused to pay or reimburse, such amounts as may be necessary to cause or observe, or for nonobservance of the provisions stipulated in the notifications / bye laws / Acts / Rules/regulations including amendments, if any, on the part of the Contractor, Employer shall have the right to deduct any money due to the Contractor including his amount of security deposit. The Employer shall also have right to recover from the Contractor any

sum required or estimated to be required for making good the loss or damage suffered by the Employer. The employees of the Contractor and the Sub-Contractor in no case shall be treated as

the employees of the Employer at any point of time.

3. Protection of Environment:

The contractor shall take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation. During continuance of the contract, the contractor and his sub-contractors shall abide at all times by all existing enactments on environmental protection and rules made there under, regulations, notifications and bye-laws of the State or Central Government, or local authorities and any other law, bye-law, regulations that may be passed or notification that may be issued in this respect in future by the State or Central Government or the local authority.

4. Arbitration (Clause 24)

4.1 The procedure for arbitration shall be as follows:

(a) In case of dispute or difference arising between the Employer and the Contractor relating to any matter arising out of or connected with this agreement it shall be settled in accordance with the Arbitration and Conciliation Act 1996. The disputes or differences shall be referred to a Sole Arbitrator. The Sole Arbitrator shall be appointed by the Commissioner, BBMP, out of panel of arbitrators (who shall be an Engineer) of Indian Council of Arbitration or Indian Road Congress or National Highways Authority of India.

(b) Arbitration proceedings shall be held at Bangalore, Karnataka, India

(c) The cost and expenses of arbitration proceedings will be paid as determined by the Arbitrator. However the expenses incurred by each party in connection with the preparation, presentation, etc., shall be borne by each party itself.

SPECIAL INSTRUCTIONS TO REMOVE UNAUTHORISED / ILLEGAL ADVERTISEMENTS TO THE Zonal Joint Commissioner and the AGENCY

1. Identifying the unauthorized Advertisements, issuing work order on removal of the same to the Contractor, seeing that the work order is executed within 48 hours by the Contractor, removal of unauthorized Advertisements, determining the size of such Advertisements, taking a photo of the Advertisements before and after completion of removal, imposing penalty, booking criminal cases, video graph the process of removal, details of location and address where the Advertisements was erected, details of whether structure was erected on ground/terrace/ wall etc., shall be the responsibility of the zonal Joint Commissioner, BBMP of each zone.

2. The contractor along with the jurisdictional sub division ARO, BBMP shall visit the place of the identified unauthorized Advertisements and shall take a photo of the Advertisements, size of the Advertisements ,details of location, whether structure erected on ground/terrace/ wall etc., submit the same to the office of the jurisdictional Joint Commissioner, BBMP of respective zone.

3. During each operation/ completion of operation of removal of illegal Advertisements the scrap material including all steel structures shall be got weighed jointly (AGENCY AND jurisdictional subdivision ARO and AEE) in weigh bridges and signatures shall be affixed jointly on the bill of weigh bridge and amount is arrived based on the weight of the scrap and the approved quoted rate of agency and the agency has to remit the amount on the same day as per his quoted rate with BBMP online to the account number given by BBMP, Bangalore. BBMP jurisdictional ARO shall also collect the fines as per the advertisement bye-law from illegal display as per rules.

4. The contractor shall submit all details and proof of having completely removed the Advertisements and debris from the location (enclose Photos) to the concerned

zonal Joint Commissioner. The contractor shall take away all the structure materials and debris of every unauthorized Advertisement at his own cost to the weigh bridge and duly get it weighed.

5. The jurisdictional ARO shall conduct mahazar on the spot of each Illegal Advertisement before removal and give details of the location and size of Advertisements erected, details of owner of the property, details of the advertiser who has erected the Advertisements etc.,

4. The contractor/agency shall make the payment immediately online. Each day of delay will attract a fine of 25% of the total defaulted cost to be paid by the agency/contractor. A default of more than three days, will result in a notice to be issued by the zonal Joint Commissioner on why the tender should not be cancelled. Three such notices will result in summary cancellation of the tender.
5. Separate files shall be maintained at Zonal BBMP office for each act of removal and mahajar, all vouchers, details of penalty collected, payments made by the contractor and remittances made to BBMP. The file shall be audit ready and shall be subject to audit.

6. Any jurisdictional BBMP official who fails to identify the unauthorized Advertisements or does not co-operate with the contractor or shall avoid or mislead will be dealt severely with disciplinary action. Any discrepancy found in giving required valid information and
mahazar, the concerned BBMP official and the contractor shall be held responsible for
suitable legal action.

8. All unauthorized Advertisements shall be removed without any financial burden on the BBMP.

9. Details and photos of all removed unauthorized Advertisements shall be put on the zonal BBMP notice board and web site immediately.

10. The jurisdictional AROs shall report to the Joint Commissioner of the zone ona day-to-day basis in the prescribed format about removal of all illegal advertisements failing which action has deemed fit shall be taken against concerned AROs.

11. Same way contractor shall also submit a report to the zonal Joint Commissioner, BBMP on day-to-day basis about all the advertisements removed in its jurisdiction in the prescribed format.

12. It shall be the bounden duty of the zonal Joint Commissioner BBMP to ensure that all illegal advertisements within its jurisdiction is removed with the help of contractor failing which shall be presumed that the jurisdictional officials are indirectly supporting the illegal advertisement and necessary legal action will be initiated against the concerned for abetment.

13. The zonal Joint Commissioner, BBMP shall ensure the discharge of duty of concerned ARO of the sub division to book criminal cases and levy penalty against illegal advertisements and advertisers.

14. The zonal Joint Commissioner, BBMP shall invariably inform the local police during all action for removal of illegal advertisements and obtain the assistance of local jurisdictional police as and when required.
